Suffered Eczema Fifty Years—Well.
Seems a long time to endure the awful burning, itching, smarting, skin disease known as "eczema"—another name for Eczema. Seems good to realize, also, that Dr. Hobson's Eczema Ointment has proven a perfect cure.
Mrs. D. L. Kenney writes: "I cannot sufficiently express my thanks to you for your Dr. Hobson's Eczema Ointment. It has cured my Eczema, which has troubled me for over fifty years." All druggists, or by mail, 50c.
